Onion Short Day Yellow

Hybrid variety of short day and late maturity, similar cycle to BABOSA , slightly later but with great quality and conservation, allowing to reach the long day onions with them. Excellent production of round bulbs, large, very dark and with many skins.

(*) These data were obtained from numerous trials in different areas. They must not be taken as an accurate guide of product performance in orther particular conditions because results could vary according to the weather, growing conditions and disease pressure conditions and disease pressure.
