

B-10273

Eggplant Semilong

SEMILONG hybrid variety of BLACK color. It stands out for its vigorous, dark and very healthy plant. Easy setting in cold conditions where it develops a very dark, shiny and straight fruit with a medium calyx and SPINELESS. Very good total production and earliness.

(*) These data were obtained from numerous trials in different areas. They must not be taken as an accurate guide of product performance in other particular conditions because results could vary according to the weather, growing conditions and disease pressure conditions and disease pressure.
